Seventh-day Adventist Church
Thirteenth Sabbath offering, Sept. 28, 1963.
Once more the Sabbath school members of the entire world will be looking toward the Bible lands, home of the Middle East Division. The overflow of the Thirteenth Sabbath offering for the third quarter goes to this division. Faithful members of all nations, among every kindred, tongue and people will be joining in giving to advance the work of God in the Holy Lands, where it first began.
The project to benefit from the Thirteenth Sabbath Overflow this quarter will be a church center in Damascus, with welfare, medical, educational, and temperance facilities. These are services greatly appreciated by the people. Our love and kindness can best be expressed by an understanding of the needs of the human family, and these services would not only be approved by the authorities but welcomed by the masses.
Adventist members of the Appomattox church plan to do their best in heeding the call when the offering is taken next Sabbath to "come over to Damascus and help us"!

There was a candy jar on display at the Lynchburg Food and Home Show. In it — 2,882 coffee beans, Mrs. Gordon Staples, Evergreen, shown above with West End manager Ralph King and Gills' coffee distributor Warren Campbell, made a guess only FOUR BEANS away from the actual number. Her guess of 2,886 Gills coffee beans placed a shiny chrome coffee maker in the Staples' kitchen. Campbell said that 3,000 people made estimates ranging from 450 beans to 2,500,000. Out Of Gas
Plane Lands In Pamplin

A two seater, private plane made an emergency landing in a field on the edge of Donald Phillips' farm, Pamplin, about 1:30 p.m. last Monday.
The plane, piloted by Leon Grashman, of Mooresville, N. C., circled the area for about two hours; then set down near Rt. 460.
According to Mr. and Mrs. Charles Elliott, of Appomattox, who were passing in their automobile and saw the plane land, the Grisham couple were on their way from Newport, Connecticut back to North Carolina. The Grishmans said that their compass was faulty; that the main gas tank was completely empty; and that their auxiliary tank was not pumping gasoline properly. Weldon Covington, of Pamplin also arrived on the scene, and Grisham was driven to a nearby service station for the "highest octane" he had. Five gallons of gasoline were put into Grisham's plane, and they took off again about 2 p.m., presumably to find a suitable airport and airplane fuel. According to Covington and the Elliotts, there was a "For Sale" sign on the plane, and the young pilot is evidently employed by an aircraft company in North Carolina. The Pamplin emergency was only one in a series of mishaps during their travels, the Grishmans said. Mrs. Elliott commented that Grisham's has been only a year or two since another small plane made an emergency landing near the area in Pamplin.

Blue-Ribbon Idea!

Barbara Thomas, FHA member and daughter of the L. E. Thomases, of Appomattox, had a sudden inspiration while gathering up entries for the Five-County Fair. "I think I'll take a petunia," she remarked to the family, and scooped up a pretty one from the front yard. The last - minute idea was a good one. Pretty petunia won first place in its class, and another blue ribbon for Barbara, who also placed first in the suit division of the Dress Revue.
